In consideration of my participation in a Surf and Turf Adventures, LLC course or activity in connection with Surf and Turf Adventures, LLC, its officers, employees and associates, and all other persons or entities associated with Surf and Turf Adventures, LLC, I hereby agree to the following:

Although Surf and Turf Adventures, LLC has taken reasonable steps to provide me appropriate equipment and/or skilled instructors so I can perform an activity or take a course for which I may not be skilled, Surf and Turf Adventures, LLC has informed me that these activities are not without risk.

Certain risks are inherent in each activity or course and/or courses and cannot be eliminated without destroying the unique character of the activity or course. The same elements that contribute to the unique character of the activity or course can be the cause of loss or damage to my equipment, or accidental injury, illness, or in extreme cases permanent trauma or death. It is not Surf and Turf Adventure's intent to frighten me or reduce my enthusiasm for this activity, but Surf and Turf Adventures, LLC believes that it is important for me to know in advance what to expect and to be informed of the inherent risks.

11. Unavailability of first aid, emergency treatment or other services in the field;

I am aware these activities entail risk of injury or death to myself and to any minors under my supervision or control. I understand the description of these inherent risks is not complete and that other unknown or unanticipated inherent risks may result in injury, illness or death. I further understand that the consequences of such hazards and/or accidents may be exacerbated by virtue of their occurrence in remote places where rescue and medical attention may not be readily available. I agree to assume and accept full responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary. No one is forcing me to participate. I elect to participate in spite of and with full knowledge of the inherent risks involved.
